

## Phoenix E-Waste Solutions

Marshalltown, Iowa

**Loan Type: RLF**

**Amount: \$100,000 10 years**

**Purpose:**

Phoenix E-Waste is a company that is handling the growing tonnage of electronic waste or “e-waste” that often ends up in the landfill. Phoenix de-manufactures electronics down to their basic elements for recycling.

The loan was for the purchase of a 7,200 sq ft. addition to their new 15,600 building, the first building at the new Gateway Centre industrial park.

Phoenix E-Waste was a 2008 Venture Award recipient.
